

FISCAL NOTE

SB 967 - HB 1631

May 7, 1997

SUMMARY OF BILL: Requires the creation of a Division of Managed Care within the Department of Health. The division is to administer all managed care policies, programs and contracts for medical, mental health and drug and alcohol treatment funded by the Department of Health and state government.

ESTIMATED FISCAL IMPACT:

Increase State Expenditures - Exceeds \$1,000,000

Assumes that this new division would create new administrative responsibilities and tasks beyond those already created and funded by existing programs.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, reading "James A. Davenport". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.

James A. Davenport, Executive Director
